Urgent Notice for pre-counseling of PG Medical and Dental seats in West Bengal (State Quota and Private Management Quota)

It has been brought to the notice of the University that few aspiring candidates were unable to fill on-line form for pre counseling on time stating various reasons.

In the interest of public service, it has been decided to extend the online form filling time from 4pm of 24.03.2017 till 10 pm of 26.03.2017 along with online payment and generation of acknowledgement receipt by the candidate after successful fill up of the form.

While University considers representation from such defaulting candidates, it also expresses concern for the lackadaisical attitude of the candidate. If someone considers filling up form in a very casual manner by either not participating in time in the process of counseling or start filling up form just prior to the closure of the time schedule, he/she may not be able to perform time-bound task. The payment of fees and other issues will remain same. The candidate should ensure that submission of form is completed by any means within 10.00pm of 26.03.2017.

Such candidates after filling of forms must attend for verification at 11.00a.m. on 27.03.2017 at R G Kar Medical College (Open category) or attend Swasthya Bhavan (for Service candidates) at respective branch (DDMERT/ DDME / DS DENTAL), as the case may be, for document verification positively.

The candidate who has successfully verified documents will only be considered for preparation of eligibility list for main counseling. The document verification will end at 3.00 pm of 27.03.2017 as per server time.

This is the last chance for the aspiring candidates. No further communication for extension of date will be entertained.
