NOTICE

It has been found that , so far , 1371 and 137 PG aspirants in Modern Medicines and Dental Sciences respectively registered themselves. Considerable number of candidates have not yet registered though last date and time is approaching very fast. We have noticed with dismay that some candidates do not attach importance of time- bound responsibility.

Such candidates are used to say that server is not functioning or they do not know the schedule. Generally they start work at the last hour or some are forgetful of the major event of joining PG Courses. Even the University has no responsibility to bring all such slow coach in the fold of counseling process, it is apprehended that they start lobbying with bigwigs after the scheduled date and time is over.

Therefore, once again, all residual candidates who were eligible in the pre counseling session, must register and subsequent filling up choices at the earliest sufficient ahead of the closure of last date and time as published vide Notice No. COE/UHS/352/2017 dated 04-04-2017 (uploaded in www.wbmcc.nic.in).If any body finds any difficulty, he/she may communicate the undersigned through e-mail.
