NOTICE

Conversion of seats during Second Round of seat Allotment Process.

In second round, seats will be allotted against the available vacancies and also against the virtual vacancies (resultant vacancies on account of up gradation of choices or the seats which are likely to get vacated during up-gradation and conversion of seats).

The seat conversion is done in case of non-availability of reserved category candidates when respective seats are still lying vacant. e.g.:- If **ST** seat remains unfilled due to non-availability of ST candidate; those seats will be converted to SC seats. If SC seat remains vacant, those seats will be converted to ST seats.

The conversion of seats as per the following algorithm.

PWD → UR

SC → ST & Vice Versa

OBC A → OBC B & Vice Versa
